

# PLAN FOR SUCCESS

---

Before starting NERLYNX, it's a good idea to have a plan to help you start and stay on treatment. Here are some key things to have in place as you begin:

**Prescription from your doctor**

**Plan made with healthcare team for managing side effects if they occur**

**Antidiarrheal medicines on hand**

As prescribed by your doctor

**Reminders scheduled to take medicine**

Text LYNX to 82866 to sign up for free\* daily text support, including medication reminders

**Mentor call set up for information and support**

Call 1-855-816-5421 (when prompted, press 3)

**Nurse Support number added to your phone for assistance, Monday through Friday, 9 AM - 8 PM EST** Call 1-855-816-5421 (when prompted, press 2)

\*At no cost with an unlimited texting plan; otherwise, message & data rates may apply. Message frequency determined by user. Text HELP to 82866 for help. Text STOP to 82866 to cancel.
